The Board may from time to time make such calls as they think fit upon the Member in respect of any moneys unpaid on the shares held by them respectively, and not by the conditions of allotment thereof made payable at fixed times. Each Member or his legal representative shall (subject to receiving at least fourteen (14) days' notice specifying the date, time and place of payment except in the case of calls payable at fixed times pursuant to the conditions of allotment) pay the amount of every call so made on him to the Company and at the time and places as specified in the notice. A call may be revoked or postponed as the Board may determine.

6.2 When call deemed made

A call shall be deemed to have been made at the time when the resolution of the Board authorising such call was passed. Any call may be made payable either in one sum or by instalments. No Member shall be entitled to receive any dividend or to exercise any privilege as a Member until he shall have paid all calls for the time being due and payable on every share held by him together with interest and expenses (if any).

6.3 Terms of issue may be treated as call

7.2 Lien may be enforced by sales of shares

For the purpose of enforcing such lien, the Board may sell the shares subject thereto in such manner as they think fit, but no sale shall be made until such time as a sum in respect of which the lien exists is presently payable and until there is default in payment of the same at the expiration of fourteen (14) days from a written notice, stating and demanding payment of such part of the amount in respect of which the privilege or lien exist as is presently payable has been given to the registered holder for the time being of the share, or the person entitled to the share by reason of the death or bankruptcy of the registered holder.
