10 major risks identified

New building technologies and evolving estate and facilities management bring forth a slew of emerging risks for high-rise buildings and landed properties.

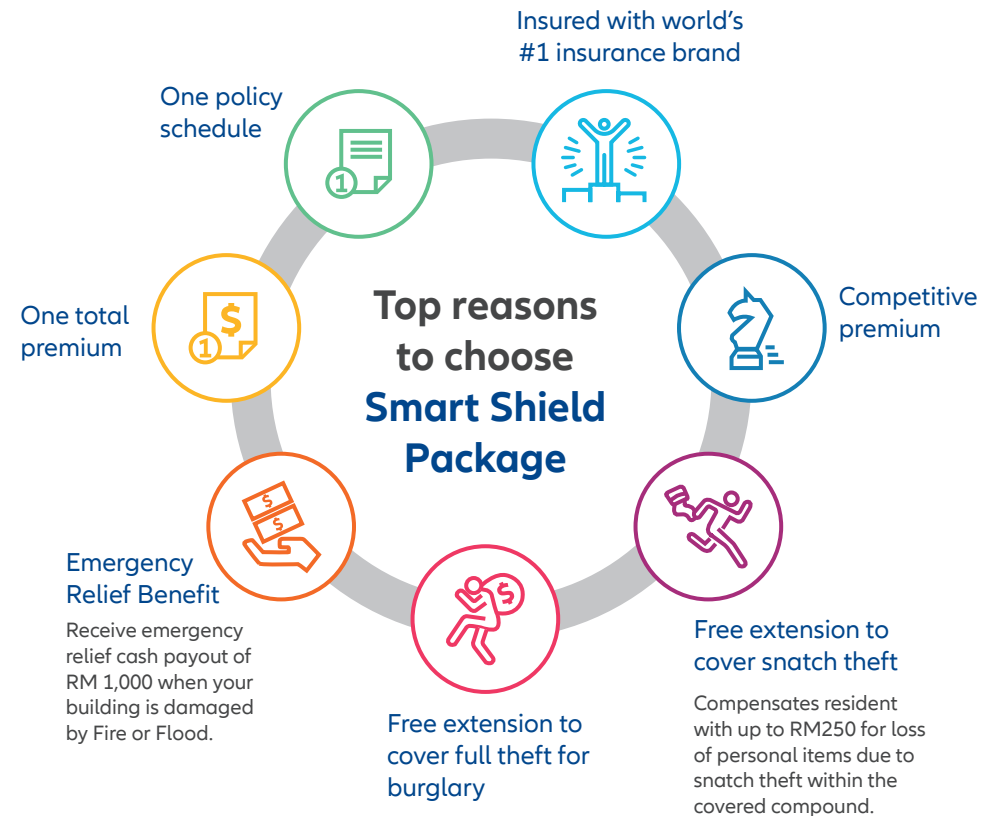

One smart package

Writing insurance policies for condominiums, apartments, flats, and landed properties necessitates a high level of expertise. With over 100 years of global field expertise, we have identified the 10 most critical risks in most high-rise and estate management.

For that, Allianz created **Smart Shield Package**, an all-in-one solution for Joint Management Body (JMBs) to ensure that your JMB won't miss out on the protection that matter most.

The Smart Shield Package now provides free extended benefits for your complete peace of mind, making it more adaptable to the risk management requirements of JMB of varying sizes.

100+
years of field expertise
