Tour guide to 2x MDRT & Centurion achiever

I was a tour guide before the pandemic brought the travel industry to a halt. That's where I discovered insurance industry and Allianz C.E.O. Programme. Through this programme, I gained the necessary knowledge and values of how insurance can benefit others. I am very fortunate to have a good mentor and to be supported by Allianz's reward system, which has enabled me to travel around the world. Thank you Allianz, you've changed my life.

Corporate finance to 2x MDRT achiever

Having a fixed income in today's rising inflation environment doesn't allow me to earn the desired income. I was eager to join the insurance industry; however, relying solely on commissions to meet my monthly commitments was not feasible. The Allianz C.E.O. Programme provided me with a fixed income for 2 years while I built my commissions. Now, I make twice as much as before.

**Bryan Tan**

Fresh grad from Allianz Student Entrepreneur to 2x MDRT & Centurion achiever

I joined insurance right after graduating, with no skills, network, or blessings from parents. Through the Allianz CEO Programme, I received mentorship that eventually helped me achieve Outstanding Rookie Agent and 1-Star Producer status, all within 2 months. Never did I expect that as a fresh graduate, I would be able to earn RM100k within the first year of my first job.

Corporate sale to 2x MDRT & Centurion achiever

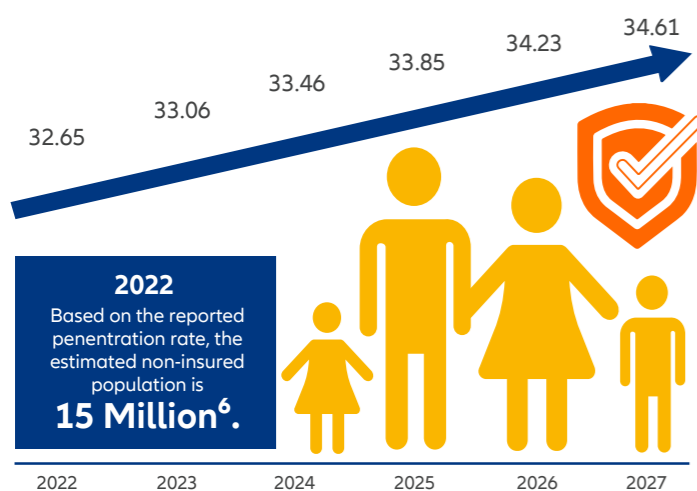

Coming from a sales background, I worked around the clock and had no sense of time management. The Allianz C.E.O. Programme changed all that for me. I now have control over my timetable, creating a better work-life balance for me and my loved ones. This year, I managed to travel to 4 countries and had the chance to upgrade to a Mini Cooper Countryman.
